

## Need a Fishing Charter Website?

So you need a Fishing Charter Website because;

- Your son did it when he was 12 and now he is a Corporal in the Marines
- You bought that "Website in a Box" software that was in the bargain bin at the dollar store
- Your (ex)wife put it together for you before the divorce
- "What the hell am I doing here?" you ask yourself time and time again
- %^&# \*\*&#\$# Computers!!!!
- "My Site looks like junk, nobody comes anymore, and I don't have time to mess with it"
- And 1001 other reasons why you want to stick with fishing and let someone else deal with a site. What can we do for you?
- We can create a dynamic, search engine friendly web site that goes so far beyond typical sites BUT IS EASY to update. YES, we make it so YOU can edit your fishing reports, YOU can upload your client's photos into the photo gallery, and if we create the site for you, we can setup your reports section to feed into the reports section here with Team Fishing Charters!
- We can use several different templates and styles to allow you to define the look and feel of your site.
- Optional Full Custom styling is available
- We can assist you in choosing a good domain name
- We can assist you in managing a domain
- Setup Email accounts
- Photo Galleries & Slide Shows
- Events Calendars
- You will also receive the FULL LISTING SERVICES of Team Fishing Charters!

- And so many more ways to customize YOUR site, YOUR way! We make FISHING WEB SITES, it's what we do. We have created dozens of sites in the fishing industry, including one FISHING website that has more than 5000 members, a HALF-MILLION posts on the community message boards, and serves 700,000 pages per MONTH! We have created dynamic, content driven community web sites for major organizations in other industries as well, from education, to manufacturing, to child care, and automotive. So contact us [john@fishing-charters.net](mailto:john@fishing-charters.net) and we can work out a plan that serves YOUR needs!
